In regard to the statement that info mation of the intention to purchase \$3,-000,000 of bonds last week, had reached obe one of bonds last week, had reached wall street in anticipation of his order, Secretary Boutwell says that it must have been mere speculation on the part of those persons who so anticipated his intentions. He says not a living being other than himself knew of the fact that he would issue an order for the purchase of an additional number of bonds, until he communicated it to the public himself. He remembered the charge made on a previous occasion of his intentions have a returns relating to the cotton manufacture:

| Communicated it to the public himself. He remembered the charge made on a previous occasion of his intentions have ture:

| Communicated it to the public himself. He remembered the charge made on a previous occasion of his intentions have ture:

| Communicated it to the public himself. He remembered the charge made on a previous occasion of his intentions have ture. He remembered the charge made on a previous occasion of his intentions having been known in Wall street, before he made them public, and this time he took special care to trust no one, and kept the matter secret. From this it would seem that those persons who operated in the money market on the supposition that Mr. Boutwell would purchase more bonds, did so at a risk.
